

## **CALL FOR NOMINATIONS: International Committee**

The Council on Foundations seeks nominations to fill soon-to-be vacant positions on its International Committee. The committee seeks members who are committed to its goals of assisting the Council in building and extending the field of international philanthropy and increasing its effectiveness. Self-nominations are welcome.

Selections are made with a view toward ensuring that the committee is broadly representative of the Council's membership. U.S. foundations represented on the committee must be Council members. As with all member committees, the International Committee seeks nominees whose participation will ensure diversity across race, gender, foundation type, size and geographic area.

The committee's work includes the following:

- Ensuring that the Council provides a range of high-quality services that respond to the international grantmaking needs of its members
- Strengthening the global philanthropic infrastructure
- Promoting the highest standards of accountability and effectiveness in international grantmaking.

The committee meets twice a year. New committee members will begin their two-year terms July 1, 2006; the terms are renewable once. Deadline for nominations is December 31, 2005. [Download](#) a nomination form or contact [Isabelle Mack](#) (202/467-0435) with questions.
